THANKS FOR THE MEMORIES, HERB SCORE

Former Cleveland Indians pitching great HERB SCORE called the final game of his 34-year broadcasting career on October 26, 1997, the 7th game of the 1997 World Series, thus ending a 42-year association with the Cleveland Indians dating back to 1952.

Tom Hamilton, Herb's partner of eight seasons, said it best on "Herb Score Night"—September 7, 1997 when he told a packed house at Jacobs Field, "No one will ever replace Herb Score. Someone may sit in his chair, and someone may use the same microphone, but no one will ever replace Herb."

CLEVELAND INDIANS CHARITIES

(CIC) was established in 1989 to make a positive contribution to the quality of life for Northeast Ohio youth by providing educational and recreational opportunities.

The Indians, through the generosity of their corporate sponsors and various fund-raising events, donated nearly $330,000 to local organizations in 1997. For the third straight year, the Indians donated $100,000 to the Cleveland Public Schools' Athletic Department. The $100,000 donation will help defray the cost of its high school boys' baseball and girls' softball programs.

CIC also made significant donations to the following organizations in 1997: the Boys & Girls Clubs of Cleveland ($50,000); the City of Cleveland Division of Recreation ($25,000) for the operation of the Rookie League youth baseball program and a girls' softball program; the United Black Fund ($40,000) for the operation of the Larry Doby RBI (Reviving Baseball in Inner Cities) Program; the Cleveland Baseball Federation ($10,000); the North American Indian Cultural Center ($6,000); and the Urban League of Greater Cleveland ($5,500).

Since 1989, CIC has donated nearly $2,000,000 to local organizations who serve the youth of Northeast Ohio. The Cleveland Indians organization and its players have a unique opportunity to make a positive impact on the youth of Northeast Ohio. It is an opportunity and responsibility we embrace.

John Hart

Executive Vice President and General Manager

John Hart enters his 7th season as Executive Vice President and General Manager of the Cleveland Indians. He was named General Manager on September 18, 1991 after spending the 1990 and '91 seasons as the Indians Director of Baseball Operations under former Indians President Hank Peters. John currently ranks 4th in tenure among the fourteen AL GM's.

Under John's tutelage the Indians have posted an AL-best record of 512-410, a winning percentage of .555, since he was named General Manager at the end of the 1991 season.

During the "Jacobs Field Era", John and his staff have turned the Indians into a perennial contender in the American League. The "Jacobs Field Era" has seen the Indians capture two of the last three American League Pennants (1995 & '97) and three consecutive A.L. Central Division titles (1995-97). Since the building opened in April of 1994, the Indians have played to sold out crowds in 252 of the 281 (89.7%) regular season dates, including a standing major league record of 211 consecutive sellouts since June of 1995. Over the four-year span the Indians have posted the second best record in the major leagues (351-228, .606) behind the Atlanta Braves.

Since John assumed the role of GM in 1991, he, along with Assistant General Manager Dan O'Dowd, has implemented the signing of long-term contracts by the Tribe's young, core players. The visionary strategy has virtually eliminated the acrimonious process of arbitration and has created stability for the franchise. Seven (7) of the Tribe's nine (9) position players are currently locked up into the next century.

Also, the player development system he oversees, which has produced the likes of Jim Thome, Manny Ramirez & Jaret Wright during his tenure, was named the best in baseball in a 1996 poll by ***The Sporting News***.

In 1994, John earned one of the highest honors in baseball when he was named Major League Baseball "Executive of the Year" by *The Sporting News*. He was only the second Indians executive to receive the award, the last being Bill Veeck in 1948. He was also given a contract extension through 1999 (with two club options years) in October of '94 by owner Richard Jacobs. Hart was also named TSN "Executive of the Year" in 1995 after masterminding Cleveland's first American League pennant since 1954.

Hart joined the Indians family as a Special Assignment Scout in 1989. He also served as interim manager for the Indians for the final 19 games of the '89 campaign after the dismissal of Doc Edwards (8-11).

John was born in Tampa, FL on July 21, 1948. He graduated from Winter Park (FL) High School where he played football, basketball and baseball. He played baseball at Seminole Junior College and earned Junior College All-American honors in 1969 as a catcher.

He began his professional baseball career in 1969 as a catcher in the Montreal Expos organization followed by seven seasons in the Baltimore Orioles organization. He was a minor league manager for the Orioles for six seasons (1982-87) at the A, AA, and AAA levels where he compiled a record of 436-334 (.566). He was named Appalachian League Manager of the Year in 1982 and Minor League Manager of the Year at Rochester (AAA) in 1986. During stretch he also managed three seasons in the Dominican Winter League, guiding the Estrellas club in San Pedro de Macoris. Hart spent the 1988 season as the Baltimore Orioles third base coach before joining the Tribe in '89.

John graduated from the University of Central Florida in 1973, majoring in history and physical education. John and his wife, the former Sandi DeVorak, have been married for 28 years. John and Sandi have a daughter, Shannon.

Dan O'Dowd

Director, Baseball Operations and Assistant General Manager

Dan enters his 17th year of professional baseball, his 11th with the Indians. Dan spent his first five years as the Tribe's Director of Player Development after being hired by then Tribe President Hank Peters in November of 1987.

During his 5-year tenure in player development he helped re-build the Indians farm system into one of the best in all of professional baseball. Under his tutelage the Indians were named "Organization of the Year" in 1992 by ***Baseball America***. Also, he helped lay the foundation that has allowed the Indians to post the 2nd best record in the 1990's among minor league clubs while developing future AL All-Stars like Jim Thome, Albert Belle, Charles Nagy and Manny Ramirez.

Dan has been in his current position over the last six seasons. He, along with GM John Hart, is responsible for all the day-to-day operaions of the major league club, including working with John on all trades and free agent signings. Dan has also played a pivotal role in the conception and implementation of the Indians widely recognized long-term contract strategy, which locks up the Tribe's core players to ensure stability for the organization. In addition, Dan directly oversees the club's player development and scouting departments.

Before coming to the Tribe, Dan spent five years with the Baltimore Orioles, working in a variety of capacities, including the marketing and broadcasting areas for the club. His last two and half years were spent as the Orioles Assistant Director of Player Development and Scouting.

Dan is a graduate of Rollins College in Winter Park, FL, where he played four years of varsity baseball. O'Dowd and his wife, Jackie, reside in Avon Lake, OH with their children, Christopher (10/4/90) and Alexa (4/30/94).

Lee MacPhail

Director, Scouting

Lee MacPhail enters his 2nd season as the Indians Director of Scouting. Lee was named to the post on October 29, 1996.

MacPhail, 28, is entering his 13th year in baseball after beginning his baseball career in 1986 in the Orioles Public Relations department. MacPhail worked with the Baltimore Orioles for 10 years in various capacities in PR before joining their Baseball Operations Department in 1989. He spent the 1996 season with the AL West Champion Texas Rangers as the Assistant to GM Doug Melvin, working specifically in amateur and professional scouting.

Lee is the 4th generation in a family rich in baseball tradition. His uncle, Andy, is the President and CEO of the Chicago Cubs and was the GM of the Minnesota Twins from 1986-94, who won World Series titles in 1987 & '91. His grandfather, Lee, Jr., was the General Manager of the New York Yankees in the 1960's and served as the President of the AL from 1974-83. His great grandfather, Larry, was GM and owner of the Cincinnati Reds and Brooklyn Dodgers in the 1930's & '40's and was the owner of the 1947 World Series Champion Yankees. He was elected to the National Baseball HOF in 1978. His father, Lee III, was GM of the Reading Phillies when he was killed in an auto accident in 1969.

Leland S. MacPhail IV is single and resides in Shaker Heights, OH. He graduated Cum Laude from Lafayette College in 1991 and is originally from Hunt Valley, MD.

Mark Shapiro

Director, Minor League Operations

Mark Shapiro enters his 5th season as the Indians Director of Minor League Operations. The 31-year old Shapiro was named to his current position on January 4, 1994 after spending the previous two seasons as the Manager of Minor Leaque Operations.

Mark Shapiro's tenure with the Cleveland Indians began in January of 1992 as an assistant in Baseball Operations. He was promoted to Assistant Director of Minor League Operations the following January where he assisted in all aspects of the Tribes farm system, including: player development, minor league player programs, staffing, and player movement. Mark's ever-expanding role grew even larger in January of 1994, assuming his current role of Director of Minor League Operations.

Mark now oversees all aspects of the Tribe's player development system and Latin American operations. During his tenure he has implemented the Winter Development Program, which aids in the transition of tribe prospects to the Major League environment and serves as a significant performance enhancement tool, and installed a system of individual player plans for every Tribe minor leaguer in the farm system. The player plans provide instruction and resources to insure that Tribe prospects bridge the gap between their performance and potential in the mental, physical and fundamental aspects of the game of baseball.

Mark played 4 years of football for Princeton University Tigers, graduating in 1989 with a degree in history. Following his graduation from Princeton he worked in the real estate development industry in Southern California before latching on with the Tribe in '92.

Mark, who resides in Shaker Heights, is originally from Baltimore, MD. His father, Ron, represents major and minor league baseball players.

1997 SEASON HIGHLIGHTS

- Started the season as the Tribe's 4th starter after signing long-term contract in the spring (March 6)...Was bothered by ineffectiveness and injury for most of the season but finished strong with a solid September and an outstanding post-season to regain his status within the starting rotation entering the 1998 season.
- Had a stretch where he did not lose between May 8 and June 3 & then did not win between May 23 & Sept. 1...In his start vs. Baltimore on May 23, he tossed a complete game, 2-hitter in the Tribe's 6-1 win over the O's...Marked his career low-hit CG and his 3rd career CG (9.0IP, 2H, 1R/0ER, 2BB, 9SO) ...In the game he fanned a career-best 9 batters (previous best was 7) and retired last 14 he faced ...Had a stretch of 10.0 hitless innings between starts of 5/23 & 5/28.
- Went 0-5 in 5 June starts with a 7.52 ERA (26.1IP, 37H, 22ER, 10BB, 13SO) that raised his ERA from 4.75 to 5.49 before knee & elbow problems landed him on the DL for 10 weeks...At the time of his DL stint he was 5-8 w/a 5.49 ERA (98.1IP, 109H, 60ER) over 16 starts...Was placed on the 15-day disabled list with a strained ligament in his right elbow on June 24 and was activated from the DL on September 1 prior to his start in Pittsburgh... Was sent on a 30-day rehabilitation assignment to AAA Buffalo on August 9...Was on rehab from 8/9 to 9/1...During his rehab.stint he went 1-1 w/a 4.29 ERA in 4 starts (21.0IP, 24H, 10ER, 11SO, 2HR).
- Picked up his first win since May 23 vs. Baltimore vs. the Pirates (5.0IP, 6H, 4ER), snapping his career-high 5 game losing streak...Chad went 3-1 w/a 3.21 ERA in 5 September starts after his activation from the DL on Sept. 1 (28.0IP, 30H, 10ER) to lower his ERA from 5.49 to finish at 4.99...Had a career-best 14.0 inning scoreless streak over 3GS from Sept. 15-26...Over last 3 starts on the season he was 2-0 w/a 0.50 ERA (19.0IP, 15H, 1ER, 5BB, 9SO).
- Opposing batters hit .283 (139-491) off Chad...RH batters hit just .261 (65-249) off him w/5HR while LH batters hit .305 (74-243) w/8HR...Pitched into the 6th inning in 16 of his 21 starts and into the 7th inning or beyond in 10 of the 21 starts...Averaged 3.3BB per 9.0IP and was walked 2 or less batters in 14 of his 21 starts... Indians were 10-11 (.476) in his 21 starts.
- Had an outstanding post-season, compiling a record of 2-2 with a 2.32 ERA in 5 playoff appearances (4GS, 31.0IP, 25H, 8ER, 8BB, 13SO)...His 31.0IP were a team-high...Overall, batters hit .225 (25-111) in the post-season with 3 homers...Only relief appearance came in Game 3 of the Division Series vs. NY, allowing a grand slam to Paul O'Neill in 5.1 innings of work in New York's 6-1 win.
- Won games two and six in the World Series, compiling a record of 2-0 in the fall classic w/a 1.54 ERA in 2 must-win starts (11.2IP, 11H, 2R/ER)...In Game 6 he went 2-3 w/a 2B, RS & 2 RBI in the Tribe's 4-1 win...It marked the first RBI by an Indians pitcher in a regular season or playoff game since Steve Dunning in Sept. of 1972 and only the 2nd pitcher in Tribe history to record an RBI in the World Series (Jim Bagby, 1920 World Series)...Both hits came off Kevin Brown...The last Indian to win two games in the World Series was Bob Lemon in 1948 and the last pitcher w/2 RBI in a game was Oakland's Mike Moore in 1989...Was 0-2 with a 3.21 ERA in 2 ALCS starts vs. Baltimore, due largely in part that the Indians did not score a run over his 14.0 innings on the mound.

LOU BOUDREAU AND BOB FELLER AWARD RECIPIENTS FOR 1997

SEAN CASEY

MARC DESCHENES

INF SEAN CASEY was awarded the 1997 Lou Boudreau Award as the Tribe's top minor league position player and **RHP MARC DESCHENES** the Bob Feller Award as the top minor league pitcher in the Tribe's farm system.

CASEY put together an outstanding campaign in 1997, hitting a combined .380 (119-313) for AA Akron and AAA Buffalo with 26 2B, 1 3B, 15 HR and 84 RBI in 82 games. The 23-year old Pittsburgh native led all organizational hitters in batting average and finished 4th in RBI despite missing the first two months of the season with a sprained right wrist.

CASEY's exploits weren't just limited to the regular season. He hit .344 (11-32) in the American Association Playoffs with 1 HR and 8 RBI in 8 games for the A.A. Champion Bisons, including the game-winning homer in the 10th inning of the title clinching game at Iowa on September 10. Casey also hit .396 (61-154) following the season for Mesa of the Arizona Fall League with 9 2B, 3 HR and 34 RBI in 38 games and was named to the AFL Post-Season All Star Team. The 1996 Carolina League batting champion was the Tribe's 2nd round pick in the 1995 Amateur Draft out of the University of Richmond.

DESCHENES, 24, had an outstanding season between A Columbus and A Kinston, leading the organization with 29 saves. HISTORY OF THE CLEVELAND INDIANS

Professional baseball in Cleveland is one of the city's oldest traditions, approaching its 129th year in 1998.

When fans think of professional baseball in Cleveland most think of the current Cleveland Indians as being one of four charter members of the American League in 1901 (along with Boston, Chicago and Detroit).

However, the city of Cleveland has played host to every professional major league in the history of the game since the Cleveland Forest City's began this tradition on June 2, 1869 vs. the Cincinnati Red Stockings.

Cleveland fielded a National Association team in 1871 and 1872; a National League team from 1879 to 1884 and an American Association club in 1888 and 1889. In addition, Cleveland played host to teams in the Player's League, Federal League and Negro League.

In 1895 the Cleveland Spiders of the N.L. were winners of the Temple Cup Championship series against Baltimore (the Spiders lost the championship series to Baltimore the following season). The Cleveland Buckeyes of the Negro Leagues were crowned champions in 1945. The 1920 & 1948 Indians own World Series titles.

Many great ballplayers have graced the diamonds in Cleveland, and it is through the fortunes of those men in uniform that we learn of the history of the Cleveland Indians.

The first era of Cleveland's American League team is defined by the presence of **NAPOLEON LAJOIE**. Charles Somers, first owner of the new franchise, and a major financial backer for the entire junior circuit, acquired the Frenchman from Connie Mack's Philadelphia club. Lajoie had jumped from the N.L. to Mack's club, only to be legally restrained from playing in Philadelphia. Mack repaid Somers' financial support by trading Lajoie to Cleveland. Initially known as the Blues (1901) and Broncos (1902), Cleveland's nickname became Naps, in honor of Lajoie, in **1903**. During Lajoie's years with Cleveland, the club peaked in **1908** in a down-to-the-wire pennant race with Chicago and Detroit. The key players included third baseman **BILL BRADLEY**, first baseman **GEORGE STOVALL**, shortstop **TERRY TURNER**, outfielder **ELMER FLICK**, and 24-game winner **ADDIE JOSS**. Despite perhaps the greatest game ever pitched, Joss' 1-0 perfect game victory against Chicago's Ed Walsh on October 2, the Naps finished second.

Relinquishing managerial chores in **1909**, Lajoie reversed a declining batting average and engaged Ty Cobb in a memorable batting race in **1910**. Baseball historians still argue whether Cobb or Lajoie deserves designation as 1910 A.L. batting champ. Key arrivals and depatures occured in **1910-1911**. **JOE JACKSON** arrived in 1910 courtesy of Mack and soon supplanted Lajoie as the greatest batsman in club history. Tragedy struck in 1911 when Joss was stricken with spinal meningitis and died on April 11 at age 31. **CY YOUNG**, who rose to fame with the N.L. Spiders from 1890 to 1898, returned to Cleveland in 1909 and bid farewell again in 1911. By **1913**, Jackson, Lajoie, shortstop **RAY CHAPMAN**, catcher **STEVE O'NEILL** and pitchers **CY FALKENBERG** and **VEAN GREGG** were the nucleus of a rising franchise, but the upstart Federal League raided the A.L. and N.L. and the team. The **1914** team lost a club record 102 games and drew just 185,997 paying customers. Lajoie was released. Jackson was traded for three players and much needed cash.

A new name, new owner and new star ushered in the next era of Cleveland baseball. Lajoie's depature mandated a new team nickname. In fan balloting through a local newspaper, Indians was chosen to honor former Spider **LOUIS SOCKALEXIS**, the first well known Native American professional baseball player. Another baseball immortal, **TRIS SPEAKER** arrived in Cleveland in **1916**, traded from the Red Sox after a contract dispute. Jim Dunn helped finance the Speaker deal and soon became the club owner. Speaker led the newly named Indians to greater glory. After strong contention in **1918** and **1919**, the Indians finally brought an A.L.

pennant to Cleveland in **1920**, despite the tragic death of the popular Ray Chapman following his beaning by Carl Mays on August 16 at the Polo Grounds in New York. The '20 Indians led the A.L. in runs scored, doubles, triples, RBIs, walks and batting (.303). Speaker, outfielder **ELMER SMITH** and third baseman **LARRY GARDNER** each drove in over 100 runs. **JIM BAGBY** led the A.L. in wins (a club record 31), winning percentage, games, starts, CGs and IP. **STAN COVELESKI** became the first of many Tribe pitchers to lead the A.L. in strikeouts. Coveleski won 24 games, plus three more in the World Series, and former Yankees ace **RAY CALDWELL** added 20 victories. Rookie **JOE SEWELL** ultimately replaced Chapman and began a Hall of Fame career. Late season call-up **DUSTER MAILS** was a perfect 7-0 and helped hold off the Yankees and White Sox. Cleveland's five games to two World Series win against Brooklyn was puncuated by Elmer Smith's grand slam, the first grand slam in W.S. history, Jim Bagby's home run, and second baseman **BILL WAMBSGANSS'** famous unassisted triple play, all in the fifth game, October 10, 1920 at League Park. The Tribe was a solid contender in **1921** and **1926** led by Speaker, Sewell and pitcher **GEORGE UHLE**.

The two decades immediately following Speaker's departure brought great stars and memorable moments. This period saw the arrival of **EARL AVERILL, MEL HARDER, BOB FELLER** and **LOU BOUDREAU** (the first four Indians to have their numbers retired), a new stadium and new ownership. A syndicate led by John Sherwin and Alva Bradley purchased the club from Jim Dunn's estate on November 17, **1927**. After playing all home games in League Park, located at the corner of East 66th street and Lexington avenue, the Indians played their first home game at mammoth Cleveland Municipal Stadium on July 31, **1932** as Philadelphia's Lefty Grove edged Harder 1-0 before more than 80,000 fans. The Indians played home games exclusively at the lakefront stadium for the remainder of **1932** and all of **1933**. High costs and the size of the stadium drove the club back to League Park for all but Sunday and holiday games in **1934**. Cleveland's first home night games, all at the stadium began on June 27, 1939 with Feller's one-hitter against the Tigers. Highlights of the Bradley ownership period included **WES FERRELL**'s four straight 20-win seasons, **LEW FONSECA**'s 1929 batting title, hitting heroics of **HAL TROSKY** and Cleveland sandlot star turned pro **JOE VOSMIK**, tempermental **JOHNNY ALLEN**'s 15-game winning streak in **1937** and the infamous shirtsleeve incident of June 7, 1938. Allen was ordered from the pitching mound by umpire Bill McGowan for wearing a tattered uniform sleeve on his pitching arm. Allen was fined $250, but Bradley pacified the pitcher by purchasing the uniform for display at Higbee's department store. From there, the uniform went to the Hall of Fame in Cooperstown. **OSSIE VITT**, fresh from a 109 win season as manager of the International League Newark Bears in 1937, became Tribe skipper in **1938**. By **1940**, a veteran Cleveland team bolstered by rookies Boudreau and **RAY MACK** offered legitimate pennant hopes. Vitt's team became known as the Crybabies when a contingent of players asked Bradley to remove the tempermental skipper. Thwarted by a late season hitting slump, the Indians finished a game behind the Tigers.

From his arrival in Cleveland in 1936 to his enlistment in the U.S. Navy in **1941**, **BOB FELLER** was the focus of Cleveland's baseball attention. Signed by superscout Cy Slapnicka, Feller became the youngest player ever in Tribe history. Among his 14 regular-season appearances in 1936 was a 15-strikeout effort against the St. Louis Browns and a then major league record-tying 17 against the A's. Bob won 107 games games during his first six seasons, led the A.L. in strikeouts eight times, had an 18-strikeout game against Detroit on October 2, 1938, and pitched an Opening Day no-hitter at Chicago in 1940. His departure for military service came just as Boudreau was becoming player-manager at the tender age of 24. Boudreau won a batting title in **1944** (he also led all major leaguers with 1,578 hits during the 1940s), but the Indians were out of the running throughout the war years. Feller returned to a hero's welcome in **1945** and returned to the forefront of A.L. pitchers in **1946** with 26 wins and a club record 348 strikeouts.

One of the most colorful, successful period in Indians history at the Stadium began on June 21, **1946** when Bill Veeck purchased the team. He moved the club back to

the lakefront stadium on a full-time basis in **1947** and his innovative promotions helped spark record attendance. His solid baseball judgement built a pennant contender. Gambles such as signing **LARRY DOBY**, the A.L.'s first black player, in 1947 and venerable **SATCHEL PAIGE** in **1948** paid off handsomely. Keeping Boudreau, player-manager since 1942, rather than trading him to the St. Louis Browns, might have been the best non-trade in club history. Veeck's 1948 club stands far above all others as the most revered, best remembered team in Tribe annals. Featuring Boudreau, Feller, Doby, Paige, **KEN KELTNER, JOE GORDON, GENE BEARDEN** and **BOB LEMON**, the Indians took the A.L. pennant in a historic one-game playoff against the Red Sox at Fenway Park, then beat the Boston Braves in six games. Veeck departed in **1949**, but general manager Hank Greenberg remained and hired **AL LOPEZ** to replace Boudreau as manager in **1951**. The Lopez-managed Indians, dominated by pitchers Lemon, **EARLY WYNN**, and **MIKE GARCIA**, never finished lower than second and won a league record 111 games in 1954. Throughout his regime, Lopez' Indians were thwarted by New York teams, finishing behind the Yankees five times and losing the '54 World Series in four games to the Giants. The slugging Cleveland offense, led by Doby, **AL ROSEN** and **LUKE EASTER**, actually out-powered the Bronx Bombers in the fifties, leading the league in homers six times.

Standing in line to succeed the aging Lopez-Greenberg Indians were such young talents as 1955 Rookie of the Year **HERB SCORE, ROCKY COLAVITO, ROGER MARIS, JIM PERRY** and **JIM GRANT**. Tragedy struck again in **1957** when Score was felled by a line drive off the bat of New York's Gil McDougald. Score returned to pitch, but never to the brilliance he achieved earlier. Another ownership change preceeded the departure of Lopez and Greenberg. Hank had determined the Indians should move to another city, but new club president William R. Daley and the club board of directors chose to stay put and change general managers. Replacing Greenberg was Frank Lane, notoriously known as "Trader Lane". Lane made 60 separate deals from December 2, 1957 to December 15, 1959. In the process, the Indians returned to contention in **1959**, finishing a close second to the Chicago White Sox. The 1959 Indians led the A.L. in HRs, runs scored, batting average and slugging percentage. Tribe home attendance was up 125%, trailing only the Yankees, Dodgers and Braves.

Frank Lane dealt Tribe fans a crushing blow by trading Colavito to the Tigers for Harvey Kuenn on April 17, **1960**. Rocky had been co-HR champ in 1959, blasted 129 homers over four seasons, including four in a game at Baltimore on June 20, 1959, and had become the most charismatic Tribesman of his era.

Like Cleveland itself, the Indians suffered economically, underwent seven ownership changes in 25 years (as many as occured in the first 60 years of the franchise), and endured constant rumors that the club would relocate to Seattle, Atlanta, New Orleans or elsewhere.

Teams of **1962, 1965** and **1968** were perhaps a player away from pennant contention. The '68 team, led by **LUIS TIANT**, was the last Tribe team since 1959 to finish higher than fourth at the Stadium, but teams of 1962 and 1965 battled for first place beyond mid-season before fading. Colavito's return in 1965 was a high point of the sixties, but the cost included future stars Tommy John and Tommie Agee. Tiant's brilliant '68 season (21 wins, league-leading 1.60 ERA) was followed by arm trouble and departure. "Sudden" **SAM McDOWELL** was a four-time strikeout leader during the 1960s. His 1965 season included a league-low 2.18 ERA, league-high 325 strikeouts (most ever by a Tribe lefty) and two consecutive one-hitters. McDowell won 20 games in **1970**. Colorful **KEN HARRELSON** was acquired amid much fanfare in 1969, broke his leg in 1970 and retired. **RAY FOSSE**, seemingly destined for stardom, was injured by Pete Rose in a memorable home plate collision to end the **1970** All-Star Game. Lack of stability and finances in this period placed an emphasis on immediate benefits rather than long-range plans. Accordingly, there were great individual accomplishments but little team glory.

GAYLORD PERRY, acquired with Frank Duffy for McDowell in **1972**, brought the Cy Young Award to Cleveland with a brilliant 24-win season. He was even better during

the first half of **1974**, fashioning a 15-game winning streak. The '74 Indians, managed by **KEN ASPROMONTE** and featuring Perry, **BUDDY BELL, GEORGE HENDRICK** and **CHARLIE SPIKES**, were just a half game from first place on July 4 and in second as late as August 22 before falling to fourth. Short-term actions, like the trading of 1972 Rookie of the Year **CHRIS CHAMBLISS** and third baseman **GRAIG NETTLES** to the Yankees, came at long-term expense.

On October 3, **1974, FRANK ROBINSON** replaced Aspromonte, becoming the first black manager in ML history, giving Cleveland another giant first in baseball's integration efforts. His first at-bat, an opening day homer in **1975**, was voted the most memorable moment in club history by the fans! His **1976** Indians were the first with a winning record since 1968, but a slow start in **1977** led to Robinson's departure.

In the steal of the decade, general manager Phil Seghi obtained **ANDRE THORNTON** from Montreal for Jackie Brown. Thornton battled injuries and personal tragedy to become one of Cleveland's all-time leading home run hitters and most respected players.

Cleveland's third Rookie of the Year, **JOE CHARBONEAU** dominated **1980**. Joe was the subject of a book, song and fan support unseen since Colavito. But back trouble cut Joe's promising career short.

LEN BARKER's perfect game on May 15, **1981**, Thornton's **1982** comeback after missing all of 1980 and most of 1981, and **JOE CARTER**'s 30-30 season in **1987** are just some of the memorable feats played out on the shores of Lake Erie. The **1986** team featured heavy-hitting from Carter, Thornton, **CORY SNYDER, BROOK JACOBY, BRETT BUTLER** and **JULIO FRANCO,** and surprised fans with a fourth place finish and a league-leading offense.

In **1987**, under the new ownership of **RICHARD E.** and **DAVID H. JACOBS**, and club President **HANK PETERS**, emphasis was placed on player development and scouting. When the Indians "Blueprint for Success" was first put into action, the Indians farm system was one of the weakest in baseball. After Peters retirement, **JOHN HART** was given command of the club and, along with **DAN O'DOWD**, brought the Indians farm system to the forefront. In **1992**, the Indians were honored as baseball's Organization of the Year by Baseball America and there was no denying that the Tribe was a team on the rise.

In **1993**, the Indians went to spring training poised to turn the corner and become a contender, however, at the end of training camp the team suffered through one of the biggest tragedies in the history of the game as two of their pitchers **STEVE OLIN** and **TIM CREWS** were killed in a boating accident and **BOB OJEDA** nearly lost his life. The team showed its strength and regrouped to have a stellar second half of the season.

All eyes turned to **1994** as the Indians moved into their new state-of-the-art ballpark, Jacobs Field. The Indians had a solid nucleus of players in **ALBERT BELLE, KENNY LOFTON, CARLOS BAERGA, SANDY ALOMAR, CHARLES NAGY** and **JIM THOME**. Prior to the '94 season the Indians signed veteran free agents **EDDIE MURRAY** and **DENNIS MARTINEZ**. This resulted in Manager **MIKE HARGROVE** piloting a club into contention for the first time in nearly four decades. The Indians were in position for a playoff birth in the newly formed AL Central division before a players' strike cancelled the season.

The Indians picked up right where they left off in 1995 after the players strike ended in early April. **MIKE HARGROVE**'s squad posted a major league-best mark of 100-44 and won the AL Central Division by a ML record 30.0 games. Belle became the first ever player to hit 50 2B and 50 HR in the same season and the first to collect 100 EB hits in a season since Musial in1948. **JOSE MESA**, who was acquired by Hart from the Orioles in 92 in exchange for a minor leaguer, led the league with 46 saves in 48 opportunities. In the post-season, the Indians captured their first AL pennant since 1954 when they defeated Seattle in 6 games. The Tribe eventually fell to the Atlanta Braves, 4 games to 2, in the 91st Fall Classic.

In 1996, the Indians captured their second straight AL Central Division title and qualified for the post-season in consecutive seasons for the first time in club history after posting a 99-62 record. Belle and Lofton became the club's all-time HR and SB leaders, respectively, and finished with the best record in MLB for the second straight season only to be disappointed by a first round loss in the Division Series to Baltimore.

The Indians won their 3rd straight AL Central Division title in 1997 with a mark of 86-75 (.534) and entered the playoffs with the second worst record among the eight playoff teams. The Indians turned it up a notch in the post-season by capturing their 5th American League Pennant and their 2nd in the last 3 years. The Indians World Series roster that fell in an exciting 7-game series to Florida had twelve new players on it that were not on the '96 Division Series roster. The Indians defeated the Yankees and Orioles in the post-season to gain entrance into the Fall Classic. In 1997 the Indians set a club HR record for the 3rd straight season and **MIKE HARGROVE** collected his 500th win as Indians manager.

The Indians plan, formulated by owner **RICHARD JACOBS, GM JOHN HART** and **DAN O'DOWD**, was not designed for a one year run but to provide Indians fans with a contending team for years to come. To ensure the success and long-term stability of the franchise, the Indians have signed their core players to long-term contracts. Currently, six of the nine Indians position players are locked up beyond the 2000 season. Having the most supportive following in Major League Baseball today, a big league record 211 consecutive sellouts in a state-of-the-art facility and a quality farm system provides the club with the resources to field a competitive ballclub year after year.

LOUIS SOCKALEXIS

The Cleveland Indian (1871-1913)

Louis M. Sockalexis was a Penobscot Indian from Old Town, Maine and the first American Indian to play major league baseball. Last season marked the 100th anniversary of Sockalexis' first season in a Cleveland uniform.

Sockalexis, who played collegiate baseball at Holy Cross College in Worchester, MA, joined the Cleveland club in 1897. In his first season with the team he hit at a .338 clip.

His career was short-lived as Louis played for only three seasons. Over his brief three year career he compiled a .313 batting average. In his 2nd season with Cleveland Louis saw his average dip to .224. His final summer in the majors was 1899 when he appeared in only seven games and batted .273.

The team employed several nicknames throughout the years prior to the arrival of Sockalexis and after his departure. The one that was used for the longest period of time was "Naps", in honor of the team's player-manager Napolean Lajoie.

After Lajoie was released in 1914 a Cleveland newspaper held a contest to rename the team. The winning entry in the contest was "Indians". The fan that sent it in explained that it would be a testament to the game's first American Indian. The memory of Louis M. Sockalexis was not forgotten then, and today, 84 years later, he is still remembered.

CLEVELAND ALL-STAR REVIEW

TOP THREE ALL-STAR CROWDS

72,086 at Cleveland Stadium on August 9, 1981
69,831 at Cleveland Stadium on July 8, 1935
68,751 at Cleveland Stadium on July 13, 1954

GAME ONE AT CLEVELAND STADIUM — July 8, 1935

American League 4, National League 1

A crowd of 69,831 — the largest throng to see an All-Star Game (until 1981 in Cleveland) — packed the lakefront Stadium for just the third mid-summer classic in history. The partial American League crowd was thrilled to a 4-1 junior circuit victory, the A.L.'s third straight All-Star win.

Jimmy Foxx belted a two-run homer in the first inning and the American Leaguers coasted to the win as Lefty Gomez and Mel Harder baffled the National League hitters.

GAME TWO AT CLEVELAND STADIUM — July 13, 1954

American League 11, National League 9

In a spectacular slugfest that set All-Star marks for runs and hits by the two clubs, the American League edged the National 11-9. The slugfest produced six home runs, including four by the A.L. The Indians' Al Rosen clubbed a pair of homers while he and his Cleveland teammates Bobby Avila and Larry Doby combined for eight RBI.

The 1954 contest was a wild seesaw contest which saw the lead change six times before the A.L. pulled out the 11-9 win with a three run rally in the eighth. Ironically, it was Nellie Fox's broken bat single over second base with the bases loaded in the eighth that provided the margin of victory.

GAME THREE AT CLEVELAND STADIUM — July 9, 1963

National League 5, American League 3

After four years as a double feature, the All-Star Game went to a single performance and saw the National League utilize its speed and gain its first Cleveland Stadium win, 5-3.

Willie Mays was easily the game's outstanding performer, going 1-for-3 with two RBI, two runs scored, two stolen bases, a walk and the game's most scintillating catch. 44,160 fans saw the action.

GAME FOUR AT CLEVELAND STADIUM — August 9, 1981

National League 5, American League 4

An all-time record All-Star Game crowd of 72,086 welcomed back baseball from the 50-day players strike and saw the National League edge the American 5-4. The 72,086 fans gave Cleveland the top three crowds in All-Star history.

Gary Carter clubbed two home runs, including a seventh inning solo shot to put the National Leaguers ahead to stay. Cleveland's Lenny Barker faced just six batters in his two innings of work, striking out one.

GAME FIVE AT JACOBS FIELD — July 8, 1997

American League 3, National League 1

Indians host the 68th Mid-Summer Classic for a record 5th time as Sandy Alomar hit a 2-out, 2-run homer off SF LHP Shawn Estes in the 7th inning, breaking a 1-1 tie. Alomar sent 44,945 fans home happy, becoming the first Indian ever to win an ASG MVP and the first player in MLB history to be named MVP in his home park.

Randy Johnson and Greg Maddux started the contest and a total of 14 pitchers were used. Edgar Martinez & Javy Lopez also homered in the game, which took just 2:36 minutes to play.

INDIANS RETIRED UNIFORM NUMBERS

BOB FELLER — #19

Arguably the greatest right-handed pitcher of all-time, the Van Meter, Iowa native joined the Indians as an 18 year-old in 1936 and played 18 years with the Tribe. Feller compiled a lifetime record of 266-162 with a 3.25 ERA. He is the Indians all-time leader in shutouts (46), innings pitched (3,827), wins and strikeouts (2,581).

Bob appeared in 8 All-Star games, more than any player in the history of the Indians and started the 1941 and 1946 games.

Feller won twenty or more games six times and won a career-best 27 games in 1940. Bob also led the league in strikeouts seven times and in 1946 he won 26 games and struck out 348 in 371.1 innings and the 348 strikeouts is still a single-season team record.

"Rapid Robert" tossed three no-hitters in his career. Feller's first no-hitter came on April 16, 1940 in a 1-0 victory at Chicago in 30-degree weather and it remains as major league baseball's only opening day, no-hitter.

Bob lost three years of his career serving in the military (1942-44) and saw limited action in 1945.

Bob Feller's #19 was retired by the Indians in 1957, the first number retired by the club and he was elected to baseball's Hall of Fame in 1962.

STADIUM INFORMATION

FIRST FULL SEASON AT THE STADIUM — 1933, after which the Indians returned to League Park—playing occasionally at the Stadium. They returned to the Stadium on a permanent basis in 1947 and have remained there ever since.

LEAGUE PARK — Constructed in 1891 at Lexington Avenue and East 66th Street as the home field of Cleveland's professional baseball team. A capacity crowd of 9,000 jammed into the new park on opening day, May 1, 1891, to watch Cy Young beat Cincinnati 12-3. The wooden park was dismantled, following the 1909 season and replaced by a steel and concrete structure which was still known as League Park.

DUNN FIELD — League Park was rechristened Dunn Field in 1920 in honor of owner James Dunn. The name reverted to League Park following Dunn's death in 1927.

FIRST GAME AT LEAGUE PARK — April 21, 1910, Detroit 5, Cleveland 0, (Attendance 19,867) League Park Capacity: 23,000 (after park was rebuilt).

LAST GAME AT LEAGUE PARK — September 21, 1946, Detroit 5, Cleveland 3.

FIRST YEAR FOR OUTFIELD FENCE AT THE STADIUM — 1947.

NO BALL WAS EVER HIT INTO THE CENTERFIELD BLEACHERS.

LONGEST BALL hit in the Stadium was by Indian first baseman Luke Easter on June 23, 1950. The ball landed in the upper deck, section 4 in right field a total of 477 feet from home plate. Mickey Mantle, Frank Howard and Rocky Colavito have hit balls that bounced near the bleacher wall in left center field, some 465 feet from home plate.

TOTAL FIELD AREA at the Stadium covers 183,000 square feet, some 3 1/2 acres.

INDIANS BROADCAST HISTORY

The early days of baseball play-by-play broadcasting in Cleveland were highlighted by change. Broadcasting legend Tom Manning, known for his field announcing at League Park, was heard over radio station WTAM from 1929-31 covering most home games. Ellis Vander Pyl started the 1932 season on WHK, but was quickly replaced by another broadcasting legend, former Tribe player Jack Graney. For the next decade, when Tribe baseball was on the air, Graney was at the mike. His noteworthy partners included Gil Gibbons, Pinky Hunter and Lou Henry. In 1945, no Cleveland baseball broadcasts were heard because of radio network committments. Permanent radio play-by-play of Indians games was established in 1946 when Bill Veeck purchased the team. Before the sale, no games were broadcast in 1946. Soon after the Veeck purchase four stations carried the Tribe game of June 28, 1946 (Graney and Bob Neal on WGAR, Earl Harper on WJW, Don Campbell on WHK, and Manning on WTAM).

TRIBE BROADCASTERS

TOM HAMILTON, who will enter his ninth season of calling Cleveland Indians baseball games on radio in 1998, becomes the new "Voice of the Indians" after the retirement of the legendary HERB SCORE. In his eight seasons, Hamilton has called 37 postseason games for the Tribe from 1994-'97 including all six (6) games from the 1995 World Series and all seven (7) games from the 1997 World Series.

Hamilton will be joined in the booth with Mike Hegan and Dave Nelson to provide commentary for all 162 regular season games and 23 spring training contests on WKNR RADIO, 1220 on the AM dial.

Tom came to the Indians after spending three seasons as a broadcaster for the AAA Columbus Clippers, the top farm club of the New York Yankees.

Previously, Tom worked in Milwaukee, Appleton, Watertown and Shell Lake, Wisconsin. Some of his broadcasting credits include the University of Wisconsin football games, University of Colorado basketball games, the Appleton Foxes minor league baseball games and work for ABC radio.

During the off-season, Tom does television basketball broadcasts for the Big Ten Conference on ESPN.

Hamilton is a native of Waterloo, Wisconsin. He resides in Avon Lake, OH with his wife, Wendy. The Hamilton's have four children: Two boys, Nicholas and Bradley, and two girls, Kelsey and Katie.

DAVE NELSON begins his first season as a member of the Tribe radio broadcast team alongside Tom Hamilton. Davey returns to the radio booth after spending two seasons on WGN-AM broadcasting Chicago Cubs games in 1988-89.

Nelson has been affiliated with the organization since 1992, spending six seasons as Mike Hargrove's first base and baserunning coach from 1992-97. He began his coaching career in 1981 in the same position with the Chicago White Sox. He remained with the White Sox from 1981-84 and served as the White Sox' roving minor league infield and baserunning instructor in 1985. He spent two seasons with the Oakland Athletics (1986-87) as Director of Instruction before joining the Cubs broadcast team with Harry Caray and Dewayne Staats.

Davey enjoyed a 14-year professional playing career, spending 10 seasons in the big leagues. He started his professional career in 1964 in the Indians organization and made his major league debut with the Tribe in 1968. After two seasons with the Tribe at the big league level he moved onto the Washington Senators in 1970. His top base stealing campaign was in 1972 when he registered 51 steals, just one off Bert Campaneris' AL-leading total of 52. The 1973 American League All-Star compiled a career average of .244 (630-2578) with 187 steals in 813 big league games from 1968-77.

David Earl Nelson, who is single, resides in Haines City, FL and has one son, David Harrison (3/2/81).

TRIBE BROADCASTERS

WUAB-TV 43, the television home of the Cleveland Indians, will telecast 75 regular season games and three spring training games in 1998.

JACK CORRIGAN will return for his 14th season in the Indians television broadcast booth for the 1998 campaign.

A native Clevelander, Corrigan has been involved with play-by-play and color commentary for the Cleveland Cavalier telecasts and the MISL Cleveland Force, in addition to his work with the Tribe. Since 1989, he has also been the "television voice" of the Atlantic Coast Conference Football Game of the Week for Jefferson Pilot Sports. He also does basketball play-by-playfor the ACC.

Jack is a graduate of St. Ignatius High School and Cornell University, and he has a Master's degree in Speech from Kent State University. During the off-season, Jack also coaches football at St. Ignatius, the Ohio Division I state champions 7 times in the last 10 years. Recently, he was selected to the Board of Trustees for the Great Lakes Theater Festival, and he continues his involvement with Our Lady of the Wayside. Jack and his wife, Lisa, have two children, Megan and Michael, and reside in Westlake.

MIKE HEGAN is in his tenth season as a Tribe broadcaster in 1998, teaming up with Tom Hamilton and Dave Nelson in the Indians radio booth as well as Jack Corrigan on 73 games that will be broadcast by WUAB-TV 43.

Hegan will handle both play-by-play and color analysis on the Indians Radio Network during 1998 Indians games which WUAB- TV 43 is not televising. Hegan will fill the analyst role when teamed with Tom Hamilton in the radio booth and will call play-by-play action when teamed with Dave Nelson. During WUAB- TV 43 games Hegan will still handle television duties with his longtime partner JACK CORRIGAN.

Mike came to the Indians in 1989 after 12 seasons as a Milwaukee Brewers television announcer. Prior to his broadcasting career, Hegan played 12 years in the Major Leagues (1964-77) with the New York Yankees, Seattle Pilots, Milwaukee Brewers and the Oakland A's. The former 1st baseman-outfielder represented Seattle in the 1969 All-Star Game and played on the 1972 World Championship Oakland A's team. Mike is the son of former Indians catcher, Jim Hegan, who played with the Tribe for 14 seasons.

Mike and his wife, Nancy, reside in Hilton Head, SC. They have two sons, Shawn and J.J.

TRIBE BROADCASTERS

Former Tribe center fielder **RICK MANNING** returns for his ninth full season as color commentator for **FOX SPORTS OHIO** and will team up with John Sanders to broadcast 70 regular season and two spring training games in 1998.

Manning began his professional baseball career with the Cleveland Indians as the #1 selection in the 1972 June draft. The first 8 1/2 years of his 13-year major league career were spent in Cleveland (1975-1983) where he won a Gold Glove in 1976 for his fielding prowess. Manning was also selected as the BBWAA "Good Guy" award winner for the 1980 season. His numbers as a Cleveland Indian included a .263 average (1053-3997), 36 HRs and 336 RBI. Rick concluded his career with the Milwaukee Brewers (1983-1987) and posted a .257 career average, hitting 56 home runs and driving in 458 runs.

Rick and his wife, Sue, reside in Chesterland.

JOHN SANDERS, a 30-year broadcast veteran, is in his eighth season as the play-by- play voice of the Indians on the Tribe's cable home, **FOX SPORTS OHIO**.

Sanders joins **RICK MANNING** in the booth to broadcast 72 Indians games in 1998 on FOX SPORTS OHIO. John came to Cleveland in 1991 after spending nine seasons as the play-by-play announcer for the Pirates.

Sanders, a Kansas native, started his career in 1965 at WIBW-TV and radio in Topeka, upon graduation from Kansas State University. In 1966 he took a job at KMBC-TV in Kansas City, MO as the sports and news anchor. He remained at KMBC for 12 years and was the play-by-play announcer for the Kansas City Chiefs of the NFL, NCAA college baseball and Kansas City Blues hockey.

In 1978, John made the jump to KDKA-TV and radio in Pittsburgh and in 1981 he began announcing Pirates games. In 1990, Sanders served as play-by-play announcer for ESPN's regional Major League Baseball telecasts.

Sanders resides in Pittsbugh, PA with his wife Cherie and two daughters, Gabrielle and Hilary.

HOW TO FIGURE

BATTING AVERAGE

Divide the total number of hits collected by a player by the total number of at bats. (i.e. Player A is 12-for-40 or .300.)

SLUGGING PERCENTAGE

Divide the number of total bases by the total number of at bats. i.e. Player A's 12 hits include six singles (6), one double (2), two triples (6) and three home runs (12) for 26 total bases in 40 at bats and a .650 slugging percentage.

EARNED RUN AVERAGE

The total number of earned runs allowed by a pitcher is divided by the total number of innings pitched and then multiplied by nine for his per-game average. (i.e. Pitcher B has allowed 12 earned runs in 45 innings of work for a 2.40 ERA.)

FIELDING AVERAGE

The sum of putouts and assists is divided by the sum of putouts, assists and errors. (i.e. Player C has made 16 putouts and 24 assists and two errors. That's 40 putouts and assists divided by 42 chances for a fielding average of .952.)

WON-LOST PERCENTAGE

Divide the number of victories by the total number of games played. (i.e. 22 wins and 18 losses produce a winning percentage of .550.)

ON-BASE PERCENTAGE

The sum of hits plus total bases on balls plus hit-by-pitches is divided by the sum of at bats plus total bases on balls, hit-by-pitches and sacrifice flies. (Does not include being awarded first base on interference or obstruction.)

ITEMS OF INTEREST

FREE AGENT DRAFT RULE

Major League and National Association clubs meet once a year for the purpose of drafting free agent player talent. Selection of a free agent entitles the club to the exclusive right of negotiation with that player. Approximate date of draft meetings: Summer (early June).

Regular Phase: Clubs choose in inverse order of Major League standings, selecting free agents and previous draftees who had not signed contracts but had instead enrolled in four-year colleges and since had either completed his junior year or become 21 years of age . Each organization may select only one player for each of its major league, AAA and AA rosters but is not limited to the number of picks for the "A" level. Minor League clubs select in the same relative order as their parent clubs.

SUSPENDED GAME RULE

A game terminated by curfew or prearranged time limit is a suspended game if it has progressed far enough to be an official game. (i.e., 4- 1/2 or 5 innings, Rule 4.10) A game terminated by light failure or malfunction of a mechanical field device under control of the home club is a suspended game anytime after it begins.

Suspended games shall be resumed at the exact point of suspension immediately preceding the next scheduled, single game between the two clubs on the same ground. If this is not possible, other provisions for resumption are specified in American League Regulation 4.12.

Any LEGAL game called due to weather with the score TIED is a tie game and must be replayed in its entirety.

TRADING REGULATIONS

- The trading "deadline" is now July 31, waivers are required for any inter- or intra- Major League assignment during the period beginning August 1 and ending at 5 p.m. ET the day after the end of the season. During the other ten months of the year, no waivers are needed.
- It will be easier to compute which players need waivers before they may be optioned: if three years (less one month for each previously spent on option) have elapsed since the player actually reported to the major leagues for the first time, waivers are required. The date of the actual physical reporting will be used as a benchmark instead of the date the player was placed first on the 40-man roster.

The procedure for assignment waiver requirements are as follows:

CLUB FROM/TO	31ST DAY OF SEASON TO 7/31	8/1 TO 8/31	9/1 TO LAST DAY OF SEASON	END OF SEASON TO 30TH DAY OF SEASON
ML to ML	NONE	ML	ML	NONE
ML to NA (opt)	ML	ML	ML	ML
ML to NA	OR	OR	SPL	SPL

There are four different types of waiver requests: Major League Waivers, Special Waivers (irrevocable), Outright Waivers (irrevocable), and Unconditional Release Waivers.

Outright Waivers (OR) are ML waivers and expire at the end of the waiver period in which they were secured MLR 10 (f).

The club must tender a special waiver request specifying that waivers are requested for the purpose of outright assignment to the National Association. The claiming period, as with other waivers, is three business days, and an assignment pursuant to special waivers must be completed by 2 p.m. ET the seventh day after waivers are secure.

ROOKIE QUALIFICATIONS

A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of the 25-player limit (excluding time in military service).

SAVE RULE

A relief pitcher shall be credited with a save when he meets all three of the following conditions: (1) he is the finishing pitcher in a game won by his club, (2) he is not the winning pitcher, and (3) he qualifies under one of the following conditions: (a) heenters the game with a lead of no more than three runs and pitches for at least one inning, or (b) he enters the game with the potential tying run either on base, at bat or on deck (i.e., the potential tying run is either on base or is one of the first two batsmen he faces), or (c) he pitched effectively in the last three innings.

PLAYER LIMITS

25 players from opening day through August 31— 40 players from September 1 through end of season. Players in military service do not count against the under control list while on active duty. Upon separation from the service, a player will be reinstated to his club's normal player limits after he has completed a 15-day trial period or has participated in a championship game, whichever comes first.

MAJOR LEAGUE SERVICE

- Is credited for each day the player appears on an active roster or major league disabled list or suspended list.
- In the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.
- In the case of a major league player who is traded and reports in the normal course, service is not interrupted.
- In the case of a major league player sent down to the minor leagues, is credited through the date of the assignment.
- In the case of a player who is unconditionally released, is credited through the date waivers are requested.
- In the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.
- For a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.
- Is credited at the rate of 172 days per "year," though the season is actually 182 days long.
- Is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

DETERMINING THE MAGIC NUMBER

Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DISABLED LISTS

- Supplemental (15-day): NO LIMIT
- Emergency (60-day): The emergency DL can only be used if the club is at the maxmum limit of 40 players.
- Maximum: No limit on the number of players. (Players carried on this list do not count against 40-man under control limit. If placed or transferred here after 8/1, player must remain through the end of post season.) Day one is day following players last game appearance.
- Reinstatement may be made after the beginning Day 16 or 61 respectively; after minimum period has expired player may be reinstated at any time (except in certain "Emergency" cases. See above.)

AMERICAN LEAGUE CURFEW RULE

All night games must be called at 1 a.m., local time. However, if an inning is started prior to 1 a.m., it can be completed. Curfews shall be waived for the final series of the season, in each of the two parks of two contesting teams.

BATTING-PITCHING QUALIFICATIONS

To qualify for the American League batting championship, a player must have 502 or more plate appearances. (This is equivalent to at least 3.1 for each of the 162 scheduled games.) Pitchers must work 162 or more innings to qualify for the earned run average title.

PINCH HITTER RULE

A player shall be considered a pinch hitter if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up). A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate, he is a designated hitter only.

DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included in the lineup cards presented to the umpire-in chief prior to the game. Failure to do so precludes the use of a designated hitter for that game. The designated hitter is "locked" into the batting order, but may be removed for a pinch-hitter or a pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

DEFINITION OF A NIGHT GAME

Any game scheduled to start after 6:00 p.m. will be considered a night game. If a game is scheduled to start at 6 p.m. and is delayed by rain, or for any reason, it will be considered a day game; if a game is scheduled to start at 6:01 pm, it will be considered a night game. Twi-night doubleheaders shall be included in double-header statistics and shall be considered two night games. When afternoon and night games are played on the same date with separate admissions, the games shall be day and night and count as single games.

CONSECUTIVE GAME HITTING STREAKS

A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

JACOBS FIELD

A Rallying Point for the Indians and the City of Cleveland

Professional baseball in Cleveland is one of the city's oldest traditions, dating back to 1869. There is a passionate connection between the city of Cleveland and the Indians as they are a study in revival. Both are working, living examples of the power of teamwork, conviction and dedication. When team president **RICHARD JACOBS** and his late brother, **DAVID**, bought the Cleveland Indians in 1986, they committed themselves to a significant investment in a long-term strategy to build a winning formula in Cleveland baseball. That format is based on the creation and maintenance of a young, talented and exciting Major League club; a solid and productive player development system; and a world-class baseball-only ballpark created with the intent to maximize the "total experience" of Northeast Ohio baseball fans. Jacobs Field has become a crucial rallying point for both the Indians and the city of Cleveland. It stands as a powerful symbol of the team's and city's rebirth and promising future. Since its opening in 1994, Jacobs Field has treated millions of baseball fans to the very finest in sports entertainment. *Money* magazine echoed these sentiments, listing Indians baseball at Jacobs Field as the best fan value in major professional sports in its October, 1995 issue.

While there is no magic formula for rebuilding a baseball team, the strategy employed by the Cleveland Indians has produced a championship-caliber ballclub playing to sold out crowds in one of the finest sports facilities in the world: **JACOBS FIELD**.

Historic Time for a City and Its Team

Historians are certain to identify the year 1994 as a significant time in the renaissance of the city of Cleveland. And it is the Gateway Sports and Entertainment Complex, consisting of Jacobs Field, the home of the Indians, and Gund Arena, the new home of the CAVS, that will be remembered as the crowning jewel in the city's ever-changing urban landscape. Symbolic of the rebirth of Cleveland and the spirit of partnership that has sparked it, the Gateway Sports and Entertainment Complex was made possible by its own 50/50 public/private partnership—through the support and cooperative efforts of the Cleveland business community, government, the Indians, our neighbors the CAVS, sports fans, and, most importantly, the people of Cuyahoga County. This unique and admired public/private partnership has produced more than just a sports complex, it has birthed an urban development plan that is designed to spur economic growth in downtown Cleveland. Complementing that plan is the new home of the Cleveland Indians—Jacobs Field, which was built solely for baseball with a capacity of 43,368.

Built with Fans' "Total Experience" in Mind

The Cleveland Indians organization and the Gateway Economic Development Corporation worked closely to fund, design, and build a world-class facility created expressly for baseball, specifically for Cleveland, and most importantly, with the fans' "total experience" in mind. In planning for our fans' "total experience" at Jacobs Field, we identified the features and amenities the team and our fans wanted the most, studied the best concepts from ballparks around the country, and added innovations of our own. The result is one of the finest baseball facilities in the United States, and a facility that is uniquely Cleveland.

An Urban Ballpark

Jacobs Field is an urban ballpark in the truest sense, both architecturally and aesthetically. Built within the physical boundaries of three main streets in downtown Cleveland (Ontario to the west, Carnegie to the south, and E. 9th Street to the east), Jacobs Field offers a fan-friendly facility featuring an intimate environment. The exposed steel design, which matches that of the many bridges on the Northcoast, and the vertical light towers, which match the smoke stacks of Cleveland's industrial zone and the high-rise office buildings in Cleveland's growing downtown area, are just a couple of Jacobs Field architectural features that blend with Cleveland's cityscape.

A VERBAL TOUR OF JACOBS FIELD

When you enter Jacobs Field you are at the mid-level of the ballpark, where you are treated to a panoramic view of the field, which lies 18 feet below street level. The

field is asymmetrical, has nooks and crannies for added excitement, and has proven to be a hitter's park. The playing field at Jacobs Field measures 325' feet down each line, 405' in dead center, 370' to the left-field alley, and 375' to the right-field alley. The deepest part of the park, 410' away from the plate, lies in left-center field. The signature feature of the left field area is the 19-foot "little green monster" that also houses the out-of-town scoreboard. Perched above the 19-foot wall is a bleacher section, similar to that of famed Wrigley Field. The bleacher section seats 2,731 and is approximately 100 feet closer to home plate than the bleachers at Cleveland Stadium. Positioned majestically above the bleachers is the largest free-standing scoreboard in the United States, measuring 120 feet high by 220 feet wide. The scoreboard features a four-color animation matrix board, a giant game-in-progress scoreboard, and a full-color Sony Jumbotron instant replay video board. All of these visuals are then accompanied by a state-of-the-art sound system. In center field, where the outfield wall drops from 19 feet to 8 feet, we find the deepest part of the ballpark, 410 feet away from the plate, just to the left of dead center. The fence then continues at 8 feet to the right field corner, where it rises back to 19 feet at the foul pole. The Indians bullpen is located in the center field area and features three mounds. The visitor's bullpen, which hugs the right field foul pole, also features three mounds. Located next to and above the Indians bullpen is another signature feature of Jacobs Field—the four-tiered Back Yard. The Back Yard is a park-like setting complete with trees, shrubs, and wooden picnic tables. It is the perfect spot for company outings and special group events.

The Seating Bowl

The seats at Jacobs Field are among the most comfortable in the game with more leg room due to wider aisles. In addition, better elevation between rows means clear and unobstructed sight lines to the field. A truly unique feature at Jacobs Field is the angled seating sections. Located just beyond the dugouts in both the lower and upper decks, the seats are angled 8 to 12 degrees, offering fans who sit in these sections a view of the middle of the diamond minus the crick in the neck. The lower and upper seating bowls have easy access to 40 modern and convenient restrooms, 19 for men, 19 for women, and two unisex restrooms for persons with disabilities and those with young children of the opposite sex.

Jacobs Field Food

One thing everyone enjoys at the ballpark is food, and Jacobs Field features a diverse and appealing menu of over 80 different items. Top quality concessions from Sportservice are available at 26 permanent locations throughout the park and numerous portable stands. Another signature feature of Jacobs Field is the two-sided concession stands, placed in the center of the concourse, which allow a constant view of the playing field. In addition, all concession stands are equipped with television monitors, so you can follow the game during your trip for refreshments. Convenient picnic tables are located within the concourse to allow fans a chance to sit and enjoy their treats.

Kidsland

Speaking of treats, Jacobs Field salutes our children's love of baseball with a fun-filled area called Kidsland. Kidsland is the home of Indians mascot, Slider, and features specialty concessions and souvenirs just for kids, including peanut butter and jelly sandwiches, cookies, ice cream, and juice boxes. Oh, to be a kid at Jacobs Field!

Getting to Jacobs Field

Jacobs Field was designed to accommodate fans and families alike, offering easy access by car, ample parking and convenient public transportation. New directional signage, well-lighted streets, and special events security help make your visit to Jacobs Field both easy and safe. More than 5,000 parking spaces are available within a 5-minute walk of the ballpark, with an additional 12,000 spaces within a 5-10 minute walk. These 17,000 spaces can easily accommodate the capacity crowds Jacobs Field has attracted. And if there was ever a perfect marriage, it is RTA and the Gateway Sports and Entertainment Complex. The RTA Tower City rapid station, the hub of RTA, is easily accessible via an enclosed, underground walkway that connects the Tower City food court with Gund Arena. In addition, RTA buses have drop-off lanes at Jacobs Field.

JACOBS FIELD PLAYING SURFACE

SOD: The playing surface at Jacobs Field is composed of 105,000 square feet of sod. The sod is a blend of four varieties of bluegrass. The playing field is constructed to mirror the specifications for a United States Golf Association golf green. The field contains perforated drain lines which run horizonatally across the field every 20 feet. Following this, there are two layers of pea gravel—the first is four inches deep and the second is two inches deep. Even deeper there is a 12 inch layer of rootzone sand, which is a mixture of peat moss and sand. The various layers below the field not only create favorable growing conditions for the sod but also drain water at a rate of 12 inches per hour.

INFIELD CLAY: The infield clay area is really a mixture of sand and clay. 75% of the infield is sand and the other 25% is clay with five tons of soil conditioner added for color and texture. The infield clay area is 12 inches deep— six inches of clay and six inches of pure sand depth.

WARNING TRACK: The warning track at Jacobs Field is composed of a rubberized surface. It contains centralized drain line, angular road rock, two layers of asphalt and is capped with rubberized surface. All materials are porous giving the warning track the ability to drain water at a rate of 23 inches per hour.
